SIDDHARTHA'S INTENT

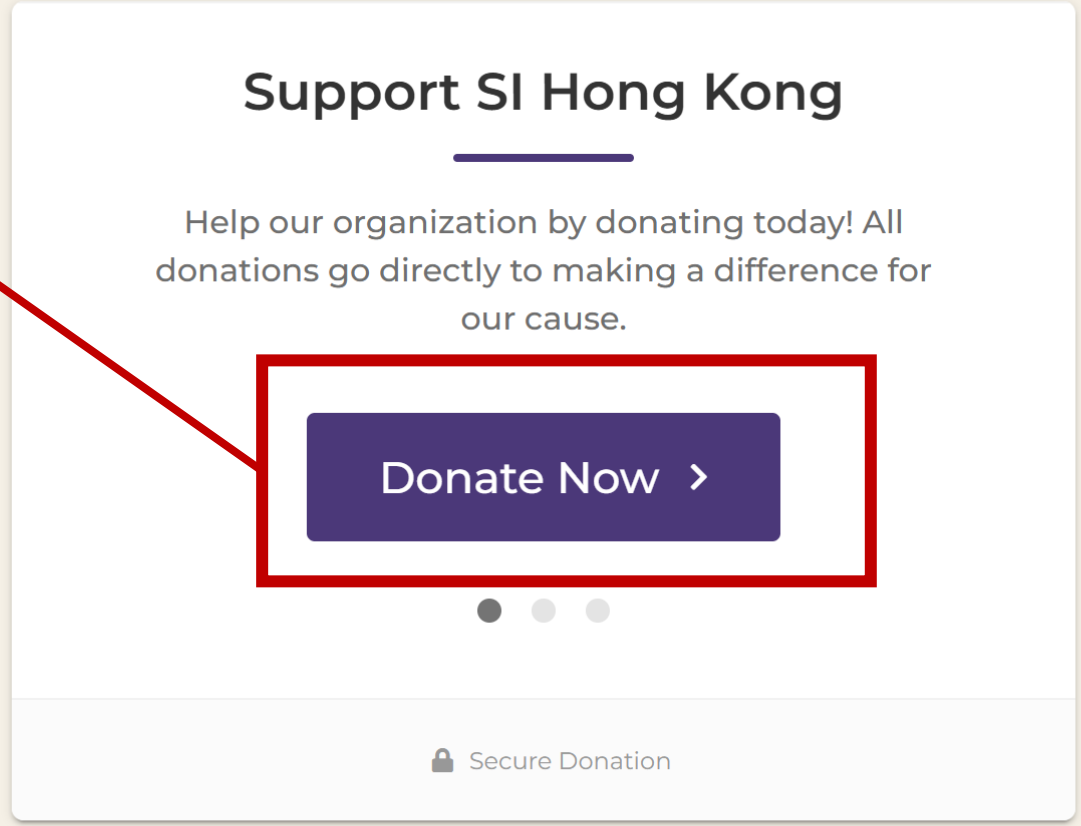

English

Support Us / Support Hong Kong

Donations

SI Hong Kong runs an extensive dharma teaching program including workshops, seminars and retreats. From a Buddhist perspective the act of giving has enormous benefits for the giver not just the recipient. Unattached giving undermines our habitual self clinging and stinginess allowing the paramita of generosity to flourish.

A great big thank you!

Jack, your contribution means a lot and will be put to good use in making a difference. We've sent your donation receipt to hokityan@gmail.com. Please email us at hongkong@siddharthasintent.org if you have problems to receipt your donation receipt. Thank you once again for your kind generosity to support us.

Help spread the word by sharing your support with your friends and followers!
